

CARBON DIOXIDE CAPTURE AND UTILISATION. MATERIALS CIRCULAR ECONOMY. SUSTAINABILITY.

Design of the Photovoltaic Solar Electro-Oxidation (PSEO) process for wastewater treatment

E Alvarez-Guerra, A Dominguez-Ramos, A Irabien

Chemical Engineering Research and Design 89 (12), 2679-2685. 2011.

Assessment of PCDD/Fs and PCBs in sediments from the Spanish northern Atlantic coast

S Gómez-Lavín, D Gorri, Á Irabien

Water, Air, & Soil Pollution 221 (1-4), 287-299. 2011.

Photovoltaic solar electro-oxidation (PSEO) process for wastewater treatment

E Alvarez-Guerra, A Dominguez-Ramos, A Irabien

Chemical engineering journal 170 (1), 7-13. 2011.

Organochlorine pesticide residues in sediments from coastal environment of Cantabria (northern Spain) and evaluation of the Atlantic Ocean

S Gómez, D Gorri, Á Irabien

Environmental monitoring and assessment 176 (1-4), 385-401. 2011.

Extraction of lactoferrin with hydrophobic ionic liquids

E Alvarez-Guerra, A Irabien

Separation and Purification Technology 98, 432-440. 2011.

Group contribution model for ecotoxicity estimation of ionic liquids

M Alvarez-Guerra, P Luis Alconero, A Irabien

Afinidad: revista de química teórica y aplicada 68, 20-24. 2011.

Environmental risks of magnetic ionic liquids: Ecotoxicity (EC50, *Vibrio fischeri*)

P Luis Alconero, J Albo, C Afonso, A Irabien. 2011.

Multi-objective optimization of the electricity production from coal burning

J Cristóbal, G Guillén-Gosálbez, L Jiménez, A Irabien
Comput Aided Chem Eng 29, 1814-1818. 2011.

La sostenibilidad en la industria química y de procesos

JAI Gulías, BB Escudero, JC García, SQ Escudero
Ingeniería química, 56-66. 2011.

Design of ionic liquids: an ecotoxicity (*Vibrio fischeri*) discrimination approach

M Alvarez-Guerra, A Irabien
Green Chemistry 13 (6), 1507-1516. 2011.

RESEARCH AND DEVELOPMENT OF MEMBRANE SEPARATION PROCESSES.

Absorption of coal combustion flue gases in ionic liquids using different membrane contactors

J Albo, P Luis, A Irabien
Desalination and Water Treatment 27 (1-3), 54-59. 2011.

PARTICLES IDENTIFICATION AND CONTROL IN ATMOSPHERIC POLLUTION

Contribution of point sources to trace metal levels in urban areas surrounded by industrial activities in the Cantabria region (northern Spain)

S Ruiz, A Arruti, I Fernández-Olmo, JA Irabien
Procedia Environmental Sciences 4, 76-86. 2011.

Regional evaluation of particulate matter composition in an Atlantic coastal area (Cantabria region, northern Spain): Spatial variations in different urban and rural environments

A Arruti, I Fernández-Olmo, A Irabien
Atmospheric Research 101 (1), 280-293. 2011.

Impact of the global economic crisis on metal levels in particulate matter (PM) at an urban area in the Cantabria Region (Northern Spain)

A Arruti, I Fernández-Olmo, A Irabien

Environmental Pollution 159 (5), 1129-1135. 2011.

Assessment of regional metal levels in ambient air by statistical regression models

A Arruti, I Fernández-Olmo, A Irabien

Journal of Environmental Monitoring 13 (7), 1991-2000. 2011.
